# EXCEPTIONAL PERFORMANCE

## SERIOUS EXPERT SUPPORT

### // ...RIGHT FROM THE **BEGINNING**

Builder of the industry's first self-propelled rotary mower in 1951, Snapper® has been the leader in making yard work easier. Today, Snapper offers one of the widest selections of power equipment for your yard or garden. Tractors, riding mowers and walk mowers feature easy operation, streamlined design and easy convertibility from side discharge to rear discharge to bagging or mulching. Like our satisfied owners say, it's as easy as it gets. //

**Your specialist Snapper® dealer will offer you the best advice and recommend the Snapper mower or tractor that offers the ultimate performance to suit your needs.**

READYSTART

**ELECTRONIC FUEL MANAGEMENT**  
STARTING MADE SIMPLE.

### OUR TECHNOLOGIES EXPLAINED...

The **ReadyStart**® starting package eliminates the need to manually prime or choke the engine before starting. Briggs & Stratton guarantees on all its ReadyStart® equipped engines with the S2 Start Guarantee®. This starting guarantee offers peace of mind that the engine will start within two pulls every time. For complete details on the S2 Start Guarantee® see [www.briggsandstratton.com](http://www.briggsandstratton.com)

**Anti Vibration System (AVS)**® equipped engines feature a patented linear balancing system that eliminates side-to-side motion of traditional counter and rotating balance designs to provide a smooth ride and extend equipment life. This means up to an 80% reduction in engine vibration and less wear and tear on your engine, your equipment and you. Available on single cylinder large vertical shaft engines.

**Electronic Fuel Management (EFM)** is a system to simplify & optimize engine startup and provide the easiest starting system for ride engines.

# POWERFUL. DEPENDABLE. ADVANCED PERFORMANCE

## Hedge Trimmer

- 26"/66 cm high-quality steel blades.
- Up to 90 minutes\* of run time (Fully charged 2 Ah battery).
- Innovative 180° rotating handle locks in increments of 45° for easy angled operation.
- Blade reverse helps remove jams effortlessly.
- Cast metal tip for bump protection.
- Comfortable, ergonomic rubber handle and touch points.

### SXDHT82

Also available as a kit:  
SXDHT82K (Hedge Trimmer, 2 Ah battery & charger)

## Leaf Blower

- 210 km/h air speed; 15,6 m<sup>3</sup>/min air volume<sup>†</sup>.
- Up to 40 minutes\* of run time (Fully charged 2 Ah battery).
- Infinite speed control maintains desired airflow at any speed.
- Stable, anti-tip base design.
- Metal tube bump/scrape protecting end ring.
- Comfortable, ergonomic rubber handle and touch points.

### SXDBL82

Also available as a kit:  
SXDBL82K (Leaf Blower, 2 Ah battery & charger)

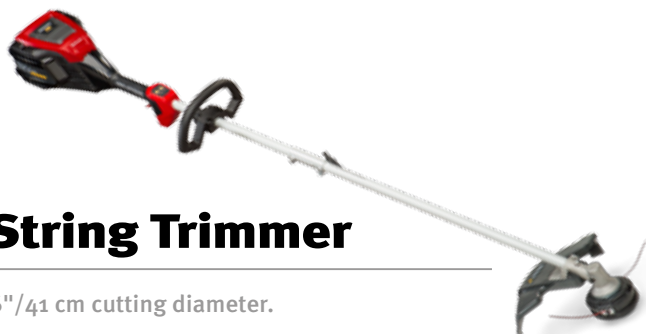

## Chainsaw

- 18" Oregon® Chain with Micro Chisel Tooth. 0.05" Gauge, 3/8" pitch. Steel, 18" Oregon® bar.
- Capable of 160+ cuts\* (Fully charged 2 Ah battery\*\*\*).
- Auto-oil system for chain lubrication (200 ml capacity).
- Onboard tension adjustment tool.
- Rugged metal handle with comfortable, ergonomic rubber grip and touchpoints.
- Base-mounted metal gripping teeth for maximum cutting leverage.

### SXDCS82

Also available as a kit:  
SXDCS82K (Chainsaw, 2 Ah battery & charger)

## String Trimmer

- 16"/41 cm cutting diameter.
- Up to 25 minutes\* of run time (Fully charged 2 Ah battery).
- Bump feed line advancement.
- Durable 1-inch aluminum shaft with cast metal connector.
- Push button multi-speed controls with indicator light.
- Comfortable, ergonomic rubber handle and touch points.

### SXDST82

Also available as a kit:  
SXDST82K (String Trimmer, 2 Ah battery & charger)

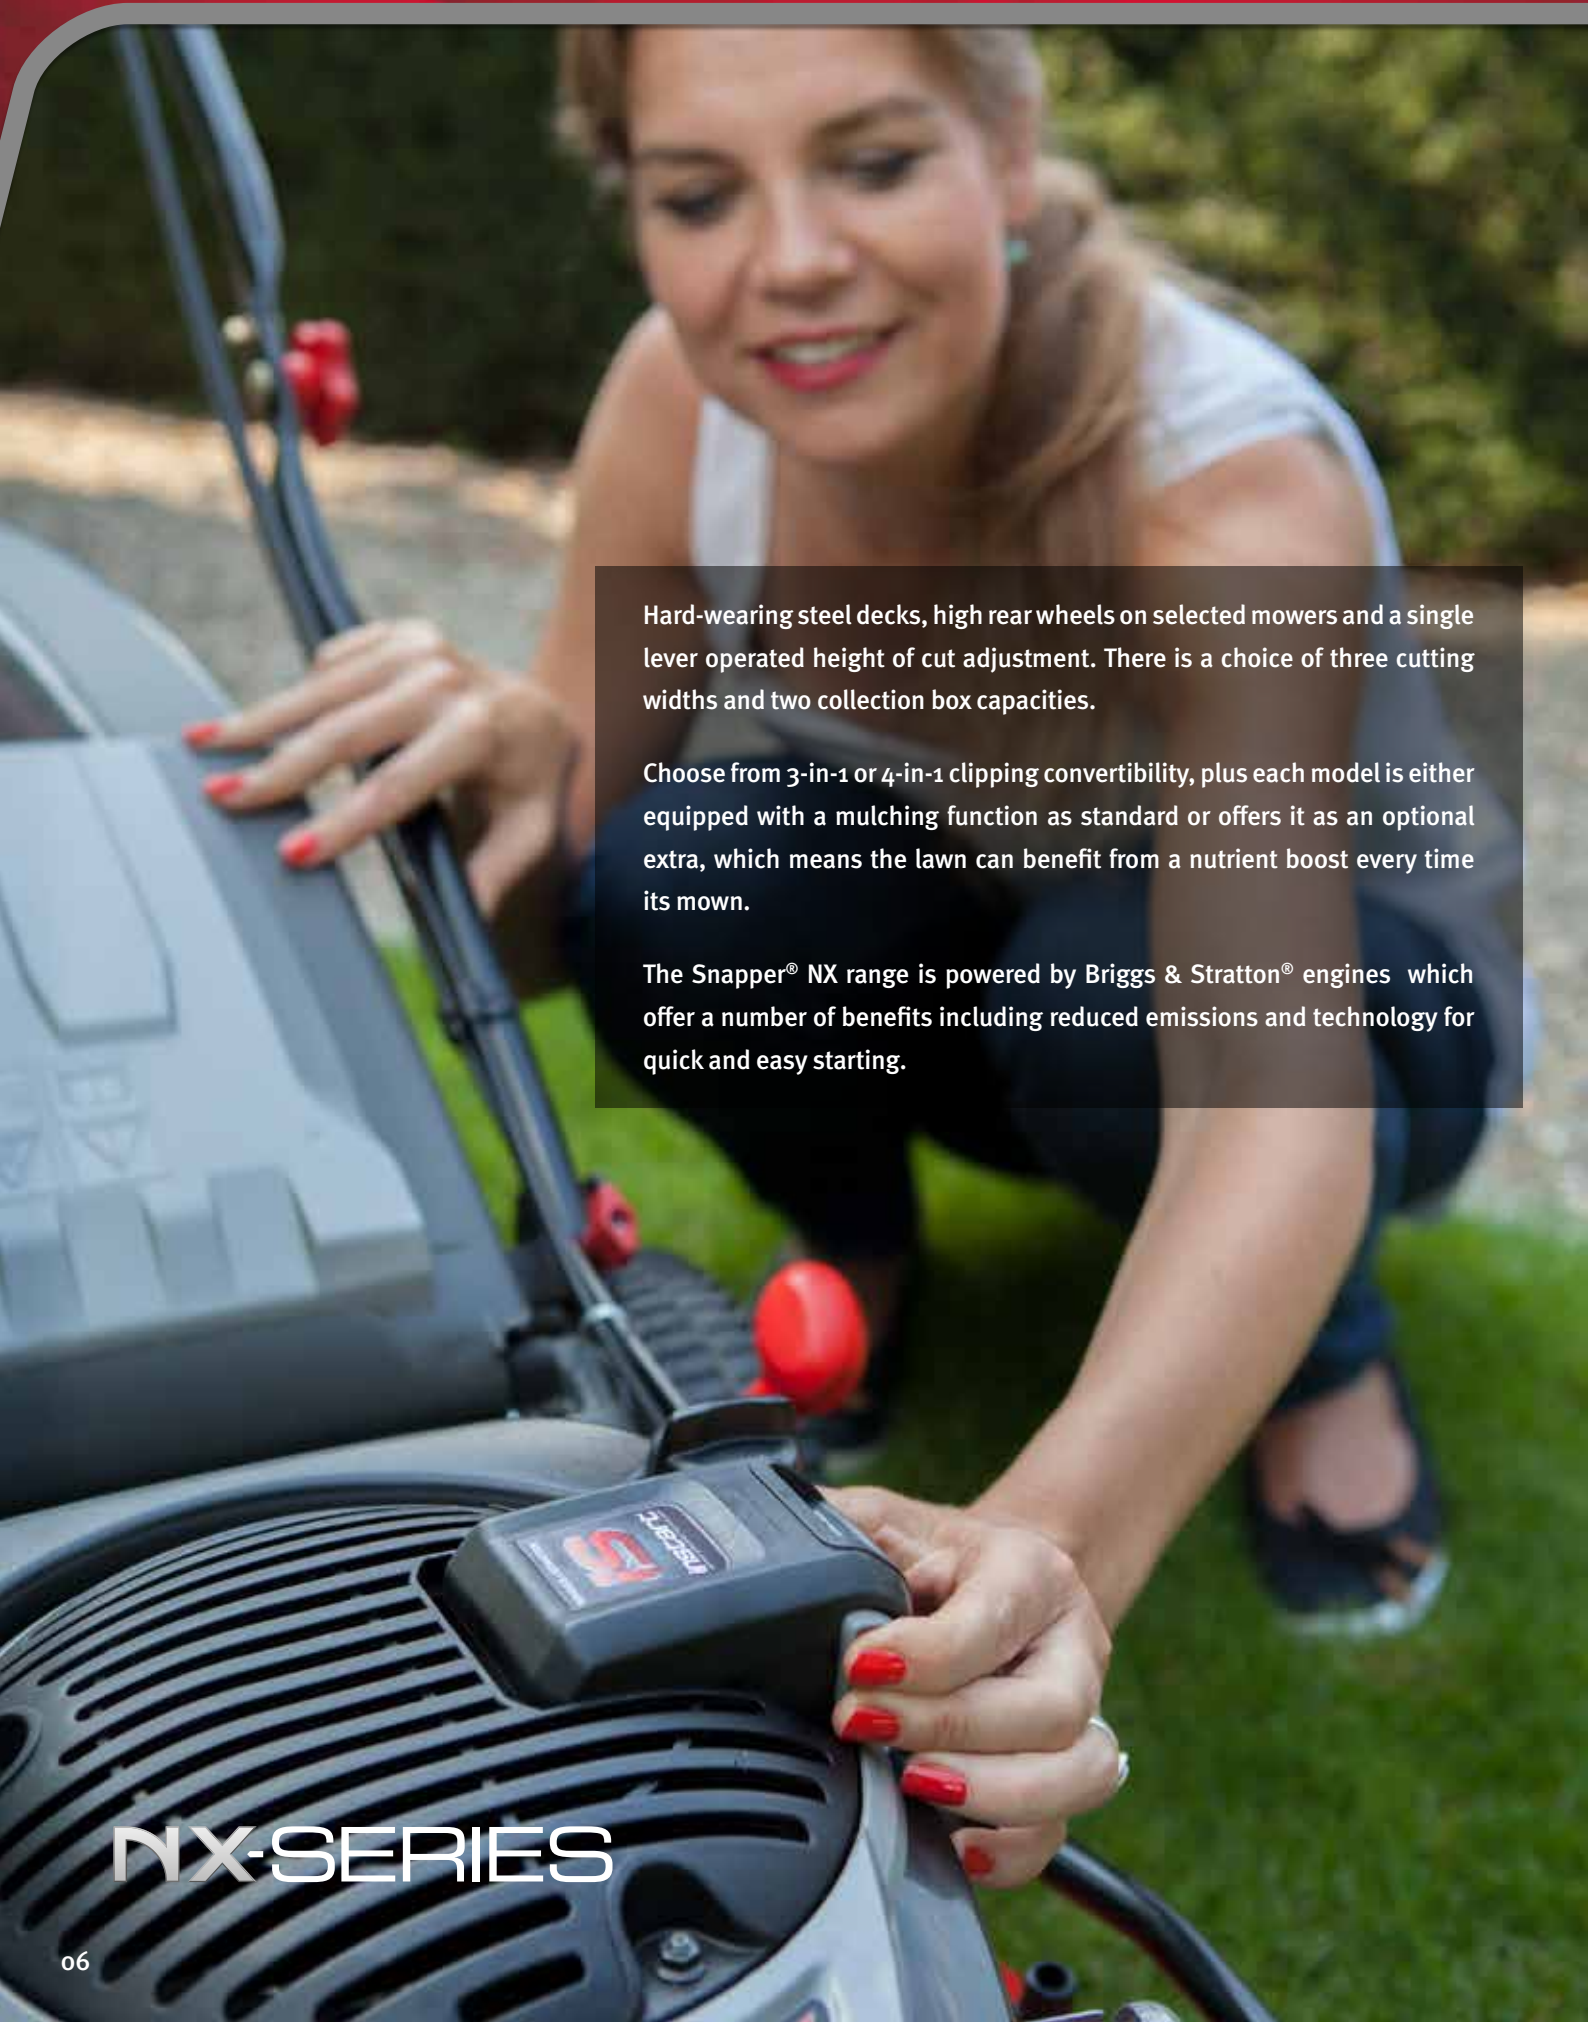

## Rapid Battery Charging Station **EBSRC82**

- Wall/surface mountable for space saving storage.
- Charges Briggs & Stratton® 82V Max<sup>^</sup> 2 Ah and 4 Ah Lithium-ion batteries.
- Blue indicator lights display charging level diagnostics.

<sup>^</sup> Maximum initial battery voltage (measured without workload) is 82-volts. Nominal voltage is 72. \* Run time and output capacity may be affected by conditions.  
<sup>\*\*</sup> See operator's manual or dealer for complete warranty details; 2-year battery warranty valid for residential consumer use only. <sup>†</sup>Taken at handle output.  
<sup>\*\*\*</sup> Chainsaw for use with 2Ah battery only.

# NX SERIES LAWN MOWERS

Hard-wearing steel decks, high rear wheels on selected mowers and a single lever operated height of cut adjustment. There is a choice of three cutting widths and two collection box capacities.

Choose from 3-in-1 or 4-in-1 clipping convertibility, plus each model is either equipped with a mulching function as standard or offers it as an optional extra, which means the lawn can benefit from a nutrient boost every time its mown.

The Snapper® NX range is powered by Briggs & Stratton® engines which offer a number of benefits including reduced emissions and technology for quick and easy starting.

## NX-SERIES

# MOWING EXCELLENCE

## NX-30

Briggs & Stratton 450E SERIES™ OHV

Cutting width: 46 cm  
Bag capacity: 60 litres

HI-SPEED TRANSMISSION

# NX SERIES LAWNMOWERS

**Push button start**  
No choking, no priming, no pulling!

**Ergonomic handlebar**  
The ergonomically shaped handlebar together with foam padding ensures maximum comfort.

**Variable speed**  
You set the pace.

**Height-adjustable handlebar**  
Adjustable in three positions and is fully foldable for easy storage.

**Large 28 cm rear wheels**  
Better traction and manoeuvrability.

**4-in-1 functionality**  
Besides bagging, mulching en rear discharging with the supplied chute you can side discharge clippings.

The top-of-the-line NX-90S is Snapper's latest innovation. Built on the successful NX-Series platform this mower features the latest innovation in engine technology: InStart®. You don't have to pull the cord anymore to start the engine. A gentle push on the button is enough to unleash it's power.

The NX-90S also features a 70 litre hard top collection bag and mulching comes as standard so the lawn can benefit from a nutrient boost every time it is mown.

**instart<sup>IS</sup>**  
INSTANT STARTING TECHNOLOGY

**InStart® Lithium-Ion battery**  
More than 50 starts from a fully charged battery. (more than 10 from a quick charge)

**Ball bearings**  
Durable ball bearings ensure a smooth ride for a long time.

## NX-90S

Briggs & Stratton 775IS SERIES™ DOV®  
InStart® push button start  
Self propelled - variable speed  
Bagging, mulching, side and rear discharge  
High rear wheels  
Cutting width: 53 cm  
Bag capacity: 70 litres  
2-Year limited warranty

Quick charger included

Centralized 6 position height-of-cut

READYSTART®

## NX-100 NINJA® MULCHING

Briggs & Stratton 875EX SERIES™  
 Recoil start, ReadyStart®  
 Self propelled - variable speed  
 Forward speed: 1,9 - 6,4 km/h  
 Mulching and side discharge  
 Cutting width: 53 cm  
 Ninja® mulching blades

## NX-200

Briggs & Stratton 850E SERIES™ I/C® OHV  
 Recoil start, ReadyStart®  
 Self propelled - single speed (3,6 km/h)  
 Bagging, mulching (mulchplug included) and rear discharge  
 Cutting width: 48 cm  
 Bag capacity: 65 litres  
 Front and rear ball bearings  
 Rear wheel drive  
 Cast aluminium Deck

## NX-300

Briggs & Stratton 850E SERIES™ I/C® OHV  
 Recoil start, ReadyStart®  
 Self propelled - variable speed (2,8 - 4,5 km/h)  
 Bagging, mulching (mulchplug included) and rear discharge  
 Cutting width: 53 cm  
 Bag capacity: 70 litres  
 Front and rear ball bearings  
 Rear wheel drive  
 Cast aluminium Deck

Model Illustrated NX-300

**Engine throttle**

**Single point height adjustment**  
 Choose one out of 7 cutting heights  
 (between 2,5 - 7,6 cm).

**Powered by Briggs & Stratton**  
 The 850E Series™ I/C® engine delivers  
 plenty of power while Readystart®  
 makes starting easy.

**Speed control**  
 Change the pace easily between  
 2,8 and 4,5 km/h.

**Anti-vibration system**  
 The anti-vibration system dampens  
 vibrations for more comfort while mowing.

**Scuff guards**  
 Offers protection to the deck.

# REAR ENGINE RIDERS

## RETURN OF THE KING

The world famous Snapper “Classic” rider is back by popular demand. With it’s low center of gravity and pivoting frame the Classic Rider adapts easily to your lawn contours.

Whether you want to side discharge your clippings or mulch, the Hi Vac® mower deck together with the included Ninja® mulching blade guarantees a perfect finish every time you mow your lawn.

Choosing the Classic Rider is choosing the legendary quality Snapper has been known for for over 60 years.

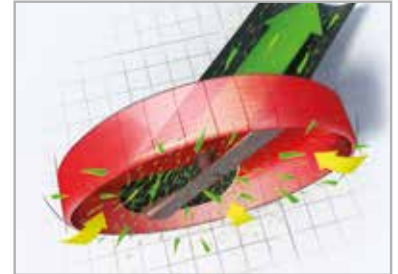

Model Illustrated: RER100

## REX, NEXT GENERATION RIDER

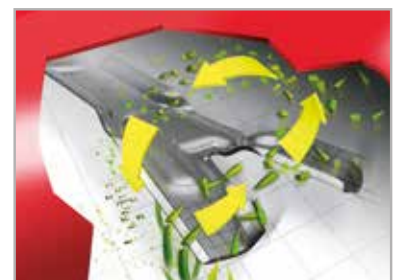

The small but perfectly formed Snapper REX rear engine rider is equipped with a durable single cylinder Briggs & Stratton engine featuring AVS® (Anti Vibration System). It has a tough steel frame chassis, a cast-iron front axle and a convenient eight litre fuel capacity.

The REX300 is equipped with a hydrostatic transmission drive system with foot controls. It also comes with a deluxe mesh seat and headlight as standard. The REX300 mower has a tight 51 cm turning radius so mowing around trees and other obstacles can be done with ease. There are six height-of-cut positions to choose from: 38 mm – 102 mm.

This rider has a manually engaged, one blade 84 cm Hi Vac® mower deck which can be converted from mulching to side discharge simply and quickly without tools. The REX300 rear engine rider, together with its famous Snapper Hi Vac® frame hung mower deck, is easy to use, comfortable to ride and offers exceptional performance and Snapper® durability.

Hi Vac® mowing deck

Ninja® mulching blade included (RER)

Variable speed disc drive transmission (RER)

Toolless changeover from mulching to side discharge

Step-through platform design (REX)

# KING OF THE RIDERS

**All steel bodyparts**  
These mowers are built to last.

**8 liter fuel tank**

**Manual deck engagement**  
Easily engage the deck with the ergonomically placed lever.

**6 position height-of-cut**  
Choose your preferred cutting height between 3,8 and 10,2 cm.

**Foot operated control**  
with hydrostatic transmission.

**Cast-iron pivoting front axle**  
The rigid front axle ensures maximum control while manoeuvring.

**84 cm Hi Vac® mowing deck**  
Offers both mulching and side discharge capabilities.

Model Illustrated: REX300

## RER100

Briggs & Stratton Powerbuilt™ 3130 with AVS®  
Mowing deck: 71 cm Hi Vac®  
Variable speed disc drive transmission  
Fuel capacity: 4,7 liter  
Forward speed: 1,4 - 6,2 km/h  
Reverse speed: 0 - 2,6 km/h

Dimensions (LxWxH): 168 x 94 x 122 cm  
Warranty: 3-year limited

# RPX REAR DISCHARGE MOWERS

Put yourself at the forefront of mowing excellence. The RPX rear discharge mowers offer the very best in comfort due to the hydrostatic drive system. These easy steering mowers have a lever on the right hand side that allows you to quickly and easily empty the 350 litre collection bag without even leaving your seat, plus each mower is equipped with cruise control as standard.

Powered by legendary Briggs & Stratton® engines, each mower has a dashboard equipped with electric PTO (Power Take-Off) switch, which will quickly start the mower or push it into a stop. Seven height of cut positions between 38 mm and 89 mm allow you to choose the right height of cut to suit you.

These hardworking mowers are easy to use and will leave lawns looking great.

# ENGINEERED TO PERFECTION

## RPX100

Briggs & Stratton Intek Series™ 4195 with AVS®  
 Mowing deck: 96 cm  
 Fuel capacity: 11 litres  
 Forward speed: 0 - 9,0 km/h  
 Reverse speed: 0 - 4,5 km/h  
 Tyres front/rear: 15" x 6" / 20" x 8"  
 Warranty: 3-year limited

## RPX200

Briggs & Stratton Intek Series™ 7220 V-Twin  
 Mowing deck: 96 cm  
 Fuel capacity: 11 litres  
 Forward speed: 0 - 9,0 km/h  
 Reverse speed: 0 - 4,5 km/h  
 Tyres front/rear: 15" x 6" / 20" x 8"  
 Warranty: 3-year limited

The rigid steel mowing deck houses two redesigned blades that offer top notch collecting performance.

Ergonomically designed dash board with hour and fuel meter, cruise control

3,8 - 8,9 cm height-of-cut adjustable in 7 positions

# RXT REAR DISCHARGE TRACTORS

Responsive, intelligent, comfortable and powerful. The updated Snapper® RXT300 really is a cut above the rest. This mower has a multitude of innovative extras to ensure the best possible mowing experience.

The responsive dashboard will tell you when fuel is low and when the mower is ready for servicing. The mower has LED headlights fitted as standard, which last up to 100,000 hours, so there is no need to worry about changing them for a while. Height of cut adjustment has been made almost effortless and can be controlled by an easy to access lever and the large 350 litre rear grass collector, gives you more time to mow and can be emptied by pulling a lever on the right hand side of the seat.

The 107 cm deck will cover ground quickly and two blades work hard underneath the machine to give a sharp cut and brilliant finish.

# CONTINUOUS INNOVATION

## RXT300

Briggs & Stratton Professional Series™ 8270 V-Twin

Mowing deck: 107 cm

Fuel capacity: 11 litres

Forward speed: 0 - 9,0 km/h

Reverse speed: 0 - 4,5 km/h

Tyres front/rear: 15" x 6" / 22" x 9,5"

Warranty: 3-year limited

The Professional Series™ 8270 V-Twin engine features full pressure lubrication, cartridge style air cleaner and a spin-on oil filter.

107 cm asymmetrical deck with redesigned blades

Mini Dash with hour meter, battery voltage and maintenance reminder

4,5 - 8,9 cm height-of-cut adjustable in 7 positions

# SPX SIDE DISCHARGE TRACTORS

Featuring powerful Briggs & Stratton engines, the SPX™ range provides superior cutting and handling under a variety of mowing conditions.

Tough gauge wheels are fitted on all four corners of the mowing deck offering additional protection. The durable pivoting cast iron front axle provides the SPX tractor with an excellent turning radius of 36 cm, which will make short work of manoeuvring around complex gardens.

Choose between the 107 or 117 cm stamped steel decks suitable for most gardens. Should you require an even more rugged mower deck the SPX300 offers a 122 cm fabricated steel deck.

The SPX is stylish and offers an enhanced mowing experience for gardeners with larger lawns.

**SPX200**

# BUILT TO LAST

Model Illustrated: SPX300

**Cruise control**  
Located conveniently on the dash board (SPX200/300).

**Comfortable seat**  
The seat is adjustable in 9 positions.

**LED headlights**  
These powerfull LED headlights light the path. (Standard bulbs on the SPX100).

**Cast-iron front axle**  
The cast-iron pivoting front axle smoothly tracks over rough terrain for an even cut.

**Rigid steel mowing decks**  
Choose between 107, 117 or 122 cm cutting width.

## SPX100

Briggs & Stratton Intek Series™ 4195 with AVS®  
107 cm stamped steel mower deck

## ACCESSORIES

### Mulch Plug

Convert your Rear Discharge tractor to a mulching mower. Included with 2016 models.

### Mulching Kit

Converts easily to a mulching deck.

### Ninja® Mulching Blade

Improve your Rear Engine Rider's mulching performance to the max.

### Single Bag Collector

Accessible collection drawer with 175 litre capacity.

### Twin Bag Collector

Bag your clippings on a Side Discharge mower.

### Triple Bag Collector

Bag your clippings on a Side Discharge mower.

### Snow Dozer Blade

Great for clearing paths through snow.

### Snowthrower

Great for clearing paths through snow.

### Tyre Chains

For use on slippery surfaces like snow and ice.

### Rhino Grip Set

Easily mount additional garden tools on your zero turn.

### 82V Battery Harness

For use with our XD battery tools.

Your independent Snapper® dealer has a full line of outdoor power equipment to suit every need. Snapper, a member of the Briggs & Stratton Power Products Group, manufactures a wide variety of outdoor power equipment, lawn and garden tractors and snow removal equipment for consumer use. Factory approved parts, accessories and maintenance items are available at authorised dealers.
